Take Your Seat

Naming a seat at Melbourne Recital Centre is a unique way to honour a special person, commemorate a significant event, or simply celebrate your love of music. You will make a valuable contribution to support the Centre.

Select the perfect seat in Elisabeth Murdoch Hall – perhaps one where you or your loved ones have enjoyed a special musical experience. Your seat will be customised with your dedication for 10 years – a lasting legacy.

By naming a seat, your donation will directly support the wide range of artistic, education and access initiatives that bring the Centre to life. It is only through your generous support that Melbourne Recital Centre can continue to provide enriching and transformative musical experiences for all Victorians.

What's in a name?

- A seat plaque is a recognition of your \$2000 tax-deductible donation to Melbourne Recital Centre.
- Your chosen message can include up to 25 characters per line, across two lines. Some restrictions apply.
- Once we have installed your plaque, we will invite you, along with your family and friends, to view your named seat and to enjoy a private behind-the-scenes tour of the Centre.
