

ABOUT THE ARTISTS

Ensemble Liaison is a unique chamber music partnership formed in 2006 between David Griffiths (clarinet), Svetlana Bogosavljevic (cello) and Timothy Young (piano). As suggested by their name, collaborations form the basis of their artistic and musical vision. Described by *Limelight* Magazine as a 'national treasure', they have performed across Australia and New Zealand and, in 2012, gave a series of festival performances in Central Europe. The creation of new works is also a priority for Ensemble Liaison with numerous commissions by Australian and international composers. Critics have praised their performances for being 'spellbinding', 'flawless', 'powerful and having boundless lyricism, enthusiasm and dexterity'. They have regularly recorded and been broadcast on ABC Classic FM and 3MBS, and have released critically acclaimed recordings with Melba Recordings, Tall Poppies and EL Records.
