ABOUT THE ARTISTS

Anja & Zlatna is a vibrant ensemble which seeks to preserve the beauty of traditional melodies from the beautiful Balkans and beyond. Enhanced with the structural architecture of the Baroque it fuses together 17th-century practices and folk improvisational languages to create music of unexpected charm. The ensemble's popularity is founded on its unique sound and original approach to instrumentation. Expect to hear the harpsichord and on occasion a guitar, a cimbalom or an accordion. With sounds ranging from the Baroque flute to Eastern wind instruments such as the kaval or ney, and with vocalists varying from traditional European technique to Bulgarian chest voice, a performance by Anja & Zlatna will surprise, delight and transport you to an exotic world beyond the concert hall.
